

Additional Policies

Vaccination Policy

All dogs must be up to date on the following vaccines. Documentation of all vaccines will be requested upon first visit. These include but are not limited to the ones listed below:

- **Parvovirus**
- **Adenovirus**
- **Distemper**
- **Rabies (Hard copy required)**

Please note that Rabies vaccine is required by the State of Alaska for any dog or cat over 4 months of age.

Refunds

Poshy Paws is a small business not a corporation, we can not issue refunds because of the necessity of paying the groomer for their time and effort on each groom. We will do anything else possible to fix a groom or experience to the best of our abilities.

Disrespect

We have the right to refuse services to anyone. Our Stylists will not tolerate any disrespect.

Intact Pet Policy

Animals that are intact may be subject to different rules. Intact Males may be referred out if they are being aggressive or overly hyperactive towards the groomer and other dogs. Intact Females may be turned away if they are in heat and will be turned away if they are pregnant. We deem it the safety of the dogs to decide to place restrictions on intact animals to avoid added stress.

Sassy Dog Policy

We are equipped to handle a lot of behaviors that may result in referral out at other salons. These behaviors may add time and effort to an otherwise quick groom so we are implementing a fee for any dog that may be a bit sassy and needs extra care.

Price - \$10-\$30 additional

Medicated Dog Policy

Dogs that require medication in order to be groomed will be charged an additional fee to accommodate for the extra time and effort it takes to groom a dog on medication. However we know sometimes medication does not work with certain behaviors and a referral may need to be necessary.

Price - \$10-\$30 additional
